TEACHERS' INSTITUTE.

The teachers' institute for Harrison county will convene at Clarksburg the week beginning August 22, 1904, with Dr. Charles H. Albert and Prof. J. N. Deal as instructors.

Owing to the scarcity of teachers, and upon the recommendation of the State Superintendent of Schools last year, a few of our teachers were permitted to teach without having attended an institute.

This year, however, Superintendent Miller says that all know the conditions and requirements, and he further recommends that no excuses for non-attendance be granted by the County Board of Examiners.

I heartily concur with his suggestions, and hereby give notice that all persons who think of teaching in the Harrison county schools this winter, that they must have a certificate of five days in institute attendance.

We are looking forward to a successful institute and invite all friends of education to be with us that we may spend the week profitably.

Respectfully yours,  
L. WAYMAN OGDEN,  
County Supt.
